

# Second Air Division Association

June 15, 1953

DEAR TROOPS:

To all of you we extend cordial greetings and sincere apologies for the long delay in getting to press with this first communique. We hope to make up for past deficiencies and bring you up-to-date in a hurry -- and in great detail -- and to keep in closer touch with you from now until reunion time.

About the biggest and best news we have at this time is the fact that the boss, Lt. Gen. Bill Kepner has concluded a glorious and distinguished military career, and is now a civilian. However, he is still air minded (and you can just bet Air Force minded) in his new capacity as Executive Vice President of Bell Aircraft Corporation in Buffalo, New York.

"General Bill" has met with your secretary and treasurer and has been in touch with your president and past president - and he is eagerly looking forward to seeing as many of you as possible at our next reunion. The Second Air Division Association is very dear to the General's heart, as you can see from the attached letter to you all, and the success and growth of the 2nd Air Division Association is as much his desire as it is ours.

You can look forward to hearing things of great interest from General Kepner at the next reunion. In our opinion, his last command, Commander in Chief, Alaskan Command, was/is one of the critical spots of modern times. We are sure that as far as he is able within security limits, he will describe to you what it was like being within gunshot of the Russians.

1952 REUNION: Those of us who have attended some or all of the reunions, and those who have only been able to make it once or twice, are all agreed that it is a tremendous thrill to see our former wartime associates at the reunions. We've noticed that no matter how much or how little we had to do with each other, there is a warmth that is great to feel when we see each other after these years of separation. We all shared an emotional experience, being together overseas, an experience that has created a bond that is impossible to find in civic, fraternal and social groups. It's a good feeling to be together again -- and the gang who assembled in Chicago on Oct. 24-25-26, 1952, at the Hotel Sherman gave ample evidence of enjoying themselves to the fullest.

Once again, we had former associates from all corners of the country at the last reunion. The clan assembled from Georgia to Washington state, from New York to California, and from all over the South, Southwest and Midwest. Here is a list of those who attended: Joanne Affronte and sister, Mr. & Mrs. John Anderson, Bob Archambault, Mr. & Mrs. Bob Ayres, Mr. & Mrs. Art Bernstein, Mr. & Mrs. Henry Brandt, Marie Cizek, Mr. & Mrs. Harry Cody, John Cunningham and son, Mr. & Mrs. Ray Devlin, John Diehl, Henry Dietch, Bill Dowling, Mr. & Mrs. Meyer Echales,

Mr. & Mrs. Don Elgas, Marilyn Fritz, Tom Holmes, Dolores Hommer, Mr. & Mrs. Karl Hopper, John (Gus) Karoly, Helen Kehoe, Mr. & Mrs. Gerald Kelly, Mr. & Mrs. Clem Kowalczyk, Tom Landrum, Mr. & Mrs. Jim LaPonsie, Mr. & Mrs. Leonard Ludwig, Mr. & Mrs. Howard Moore, Irene Noble, Beatrice Puch and sister, Marvin (Bob) Roberts, Mr. & Mrs. Chester Schmidt, Mr. & Mrs. Harry Sears, Father Edward Seward, Mr. & Mrs. Jim Shannon, Teresa Stevens, Ray Strong, Jackie Grahovac Turchet, Mr. & Mrs. Jordan Uttal, Mr. & Mrs. Mike Vydarney, Mr. & Mrs. Harold Wetzal, Harveston Wing, and Percy Young.

Quite a gang, what? And they all had a bang up time at the Wing-Ding. Wouldn't you have liked to have been there? (Copies of the reunion photograph may be had for \$2.00 from the Rialto Service Co., Room 320, 127 N. Dearborn St., Chicago 2, Ill.).

Although the reunion didn't start until Friday, October 24th (According to the program), some of the gang arrived on Thursday, the 23rd, and there were about 10 of us that night getting a headstart at Joyce and Jordan Uttal's apartment in Chicago.

Friday afternoon at 5:00 P.M., the cocktail party started, and as you can imagine, by 9:30 we were ready to take on some solid nourishment. As at past reunions, we split into small groups for dinner and all reassembled the next morning for our very interesting business meeting. Saturday night was highlighted by a most enjoyable banquet, very ably M.C.'d by Howard Moore, followed by dancing until after one o'clock in the morning. Sunday, after a suitable period of rest and recuperation, most of us left for home -- sorry to take leave of our friends -- and looking forward to seeing them again. The consensus of opinion was that the Convention Committee (Dietch, Vydarney, Moore, Uttal and Kowalczyk) had done a fine job.

BUSINESS MEETING: A most interesting session developed around the reports of the President, Secretary, Treasurer, Reunion Committee and Memorial Committee. Officers elected for 1953 were as follows:

President	- Jordan Uttal
Vice Presidents	- Joanne Affronte, Evelyn Cohen, Gus Karoly, Percy Young
Secretary	- Irene Noble
Treasurer	- Bob Roberts

The new president appointed to the Executive Committee: Marie Cizek, Ray Strong, H. Sears, John Cunningham, Bob Ayres, Howard Moore, Art Bernstein, Chester Schmidt, Beatrice Puch, John Anderson, Henry Dietch and Bill Dowling.

A hearty vote of thanks was given to the 1952 administration, headed by President Ray Strong. Great credit is due to all of our people who have worked so hard and sincerely to build and nurture the Second Air Division Association. We sincerely feel that it is right and good to perpetuate - as we are trying to do - the friendships we formed, and the memory of those who are no longer with us.

MEMBERSHIP DRIVE: To retain the gains we have made and to grow further, we must stimulate additional interest on the part of those of us who have been inactive and to reach more of our former buddies, of whom we have no record. In order to attempt to accomplish this, a Membership Committee has been appointed consisting of all the officers and executive committee, plus the following: Dick Thigpen, Clem Kowalczyk, Percy Young, Jackie Turchet, Marilyn Fritz, Dolores Hommer, Whitey Thomas, Tom Messenger, and Buddy Russell.

By this time, the Membership Committee should have received lists of names, on a geographical basis, from Howard Moore. It is planned that the members of the committee will contact the individuals on their list to promote greater participation in the Second Air Division Association. We urge you to join with us in helping our Association grow.

If, by any chance, any of you have names and addresses of former 2AD personnel who are not on our roster, we would appreciate receiving the information.

MEMBERSHIP DUES: Enclosed herein you will find a statement for 1953 membership dues which are payable by annual members. Please mail your two bucks to our treasurer, Bob Roberts, as soon as possible. Dues from charter members will not be due until 1954.

PERSONNEL QUESTIONNAIRE: We request your cooperation in filling in the enclosed questionnaire and mailing it promptly to our secretary. An envelope is attached for your convenience. In our next newsletter, we'd like to give out the latest news of you all -- and we can't do it unless you give us the dope -- SO, PLEASE DO IT TODAY.

CHARLES GRAYDON is now located in Chicago, just having been transferred from Kansas City. He is still with Selective Service, and his new office is at 79 E. Adams St., Chicago.

That about winds up our news for now, but we hope to publish another newsletter soon.

MEMORIAL FUND: In the near future, you will be receiving detailed information from the Memorial Committee regarding the status of the 2AD Memorial. With this communication will be a questionnaire for you to fill out, and it is very important that you give the Committee the information they request. Very briefly, it seems almost certain that an alternative will have to be found for the original purpose of the fund because it is doubtful that the new library will be built.

Although the fund is administered by a specially elected Board of Governors who will finally determine the alternative to be selected, the opinion of the 2nd Air Division has been asked, and we feel that we should let them know how we feel about the Memorial Fund. Your cooperation in replying promptly will be much appreciated.

NEW ROSTER: A new roster has been compiled and will be sent shortly to all dues paying members, and to those who are not members yet but request a copy from the secretary.

It's been fun visiting with you guys and gals. Please help your officers and the various committees by sending in the questionnaire promptly, your dues, and any suggestions or comments you care to make.

Best regards to you all,

JORDAN UTTAL, President

IRENE NOBLE, Secretary
